## Project hope letter writer

This is a role that can be done at anytime from anywhere.

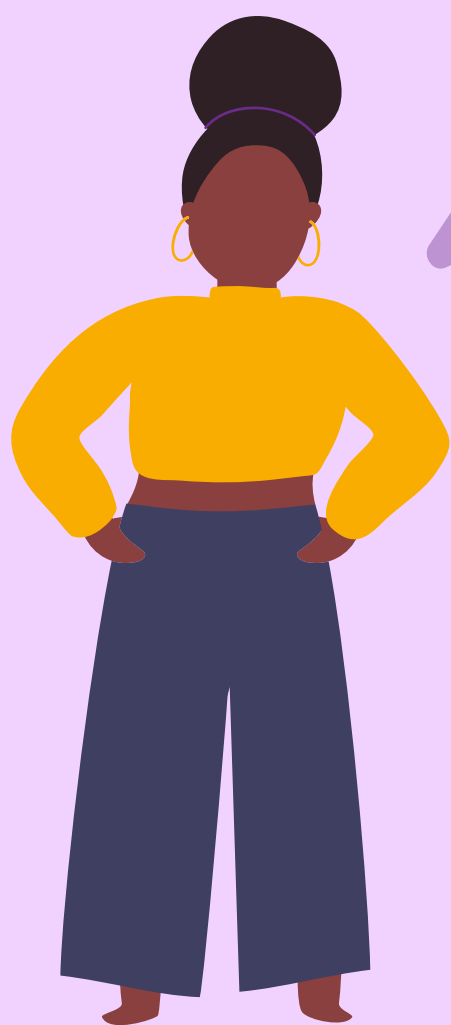

Project Hope involves writing letters, cards, postcards, quotes or poems to female prisoners - many of whom have experienced domestic abuse.

These letters are words of encouragement, inspiration and empowerment to let the women know that someone, somewhere is thinking about them and they are not alone.

The project has been a huge success so far and we are building more partnerships with prisons across the country so it's an exciting time to join! **Are you organised and do you have a way with words?**

By volunteering at SATEDA, you will...

- >>> **Gain experience and transferable skills**
- >>> **Enhance your CV**
- >>> **Meet new people**
- >>> **Build on your confidence and self esteem**
- >>> **Develop a sense of purpose & play a part in dismantling systemic gender inequality**

Please join us in supporting women and children in our community who are escaping and recovering from domestic abuse. Register your volunteering interest on our website [www.sateda.org](http://www.sateda.org) or contact our main office on **01795 417251**. We need your writing and organisation skills!
